THE CONVENTION.

Suggestions from the People Touching It and Those who Should be Sent There.

Editors Appeal: The time is rapidly have a convention of the people of Shelby county to nominate candidates for seats in the coming convention to remodel our State Constitution. After my experience in county conventions, I do not propose to have conting more to do with them; but I still feel a deep interest in the coming convention and what it may do. I therefore hope that our very best men. approaching when it is proposed to therefore hope that our very best men may be put forward as candidates for seats, in that great and important body. But I do not wish to see the body. But I do not wish to see the body, and I do not wish to see the body. But I thing so congromised as to drive many conservative, or white man's government men, away from the polls, and prevent their taking any part in the election. I hope Mr. Johnson's name will be kept out of the canvass altogether, as the re are many of us who cannot, and which called forth the "protest" which has excited so much attention throughout the Church.
